Re: Part B IDEA, CFDA#84.023 and Preschool, CFDA#84.173 Special Education Allocations
Fiscal Year 2013

Attached are the IDEA Part B, Section 611, and Preschool, Section 619, Special Education Allocations for each school district. These figures are the allocated amounts that should be used in the preparation of your request for federal special education funds. They are reflective of the formula that went into effect in Fiscal Year 2000 for IDEA Part B and Fiscal Year 1997 for Preschool Special Education, as described by Code of Federal Regulation Part 300.705.

The Bureau of Special Education is responsible to verify and confirm that the LEAs are in compliance with all Code of Federal Regulation 300, including Assurances. In the event that an LEA is not in compliance, the Bureau may delay any payment or payments until such time as the non-compliance has been resolved.

Districts can begin their grant applications on May 25, 2012 to guarantee a July 1, 2012 start date.
